Boat Guidelines

Our dock can accommodate watercraft 20' or less. Unfortunately, we are not able to accommodate pontoon boats on our roll-in dock. Pontoons may anchor offshore with a front and back anchor; the water is shallow enough to walk to the shoreline. I/We acknowledge the storage lot and the boat dock are not secure and the undersigned assumes all responsibility for the safe keeping of all property stored in these areas. I/We, the undersigned hereby release Whispering Surf at Bass Lake, its agents and employees, from and against all liability arising out of property damage or theft of any kind whatsoever caused by natural or other activity.
